Not your average walk, The RiverWalk for MS, is a great opportunity for walkers of all ages and abilities (our walk has been done by stroller and by wheelchair)!

With rolling admissions, our approximately 1 mile loop can be done once or as many times as you wish, at your pace, starting any time between 9am and 11am.

Over the last 3 years, our community has raised over \$9,000 for the National MS Society and had a lot of fun! This year's goal is \$5,000, but to accomplish this, we need YOU!!

**Do you have MS, or have a friend or loved one who does?**

**Consider sharing your story and/or allowing a team to walk on your behalf!**

The goal of our walk has always been to raise community awareness and show support for those affected by MS, while raising money for the National MS Society. Help us **Make a BIGGER Difference** by allowing us to add some personalities to our walk!

**Do you have a group, a team or a troop?**

**We need you!**

**Walk our walk, for someone who can't!**  
**Show support for an individual**  
**so no one walks alone!**

You can **Make a Difference** by representing those in our community whose lives have been affected by MS, so that all stories may be heard.
